• NOTICE: New Programs

• **JOB READINESS**

Our Career Planners work one on one with our clients to provide an individual experience that can be catered to their career interests and goals. We strive to provide best practice models in resume writing, interview skills, job searching/application process and job sustainability.

• **COMPUTER LAB**

Our onsite free computer lab is available for all our clients and provides a large or individual private space for zoom calls, pre-employment screening calls, telehealth appointments and access to the internet, copy machine, document retrieval websites and google docs or Microsoft word.

• **INDIVIDUAL & GROUP INSTRUCTION**

We have experience in instructing "Bring Your A Game," a curriculum based program created by Work Ethic Development, Inc.

• **WeLIFT's COMPASSION FUND**

Newly created to decrease barriers like emergency shelter, transportation assistance, car maintenance/small repairs, employment clothing/footwear, reactivation of cell phone minutes, critical document fees, and monetary incentives for completion of 6 week financial class

Tuesday, May 7th, 2024 8:30am-11:30am

Second Annual Mental Health in the Workplace–

Come & learn about how to handle tragedy in the work and the homelife & how to ask hard questions when someone you know is not in good brain health.

Doors open at 8am for breakfast and coffee/tea bar at the Indianola Freedom Fellowship Church.

• **VR HEADSETS**

Over **40 career exploration simulations** that are used for people to understand different careers, learn information about high demand jobs and practice skills associated with each career.

• **C3 DEESCALTION**

C3 stands for **Calm Circuit Connection**. Our staff are certified instructors to offer training in techniques to manage emotions and produce better behavior in emotionally charged work/home places.

• **FINANCIAL CLASSES**

Stemmed from partnership between People's Bank, Wells Fargo, and Lighthouse Community Center. We work to provide the most up to date financial literacy information as an outreach to our community. At completion of Financial Literacy 6 week course an incentive is given to each participant from WeLIFT's Compassion Fund to assist with utilities or rent.

• **LETS GET 2 WORK**

Collaboration with Connect to Careers, and the local school district. We help students/clients as they transition from high school into adulthood and the world of work. These services are provided at **NO COST** to the school district or students.

• **SPECIAL THANKS TO OUR PARTNERS!**
